## Uganda – Taking Demography Seriously

September 27, 2022, 09:30 am – 4:45 pm

Kampala, Uganda

**National Population Council Uganda (NPC)**

**&**

**World Demographic & Ageing Forum (WDA Forum)**

**St. Gallen/Switzerland**

### Objectives

- To enable Ugandan policy makers to make best use of demographic knowledge and data
- To brief Ugandan policy makers on global and national demographic developments including their risks and opportunities
- To highlight the impact of demography on various aspects of society, economy, and politics
- To introduce concepts of dealing with demography and capturing the demographic dividend
- To make first steps towards a national plan of action

### About the WDA Forum

*As a think tank, the WDA Forum actively shapes the discussion on demographic topics. We work closely with the Institute of Insurance Economics at the University of St. Gallen as well as other educational and research institutions including the Harvard T.H. Chan School of Public Health in Boston, Stanford University in California, the American Enterprise Institute in Washington, D.C., the Population and Ageing Centre at the University of New South Wales in Sydney, Fudan University in Shanghai, and the swissnex network of science and technology.*

*The WDA Forum was founded in 2002 and is based in St. Gallen, Switzerland.*
